Installation Dinner

The annual Wallowa County Rotary Club Installation Banquet will be held at Cloverleaf Hall in Enterprise on Sunday, June 25, 2006. The Banquet is an annual event to install the 2006-2007 Club President and Board and to honor the service of outgoing officers. The evening will include a program to reflect on the Club's accomplishments of the last year.

The evening will begin with a No-Host Bar "Happy Hour" at 5:00 p.m. with dinner served at 6:00 p.m. Entrée Choices will be Prime Rib or Halibut with all the trimmings. Cost of the event is \$20.00 per person and must be paid by June 21, 2006

Entertainment will be provided during the "happy hour" and later in the evening by "Leather and Lace", a Duo of keyboard and guitar, courtesy of Don and Evelyn Swart.

Rotary Facts

It might be nice for us to have a brief Rotary "refresher course" as we head into a new year.

- The mission, or main objective, of Rotary is service – in the community, in the workplace, and throughout the world. This is reflected in the Rotary motto, "Service Above Self."
- There are approximately 1.2 million Rotary club members working in some 31,000 Rotary clubs in more than 165 countries.
- Women were first admitted to Rotary in 1987, and they make up the fastest growing segment of Rotary's membership.

Rotary News

- There are still two **picnic tables** available for purchase. If you are interested please contact the Swarts.
- **The club project** is progressing. The concrete is mostly in and landscaping is in process.
- **July 2nd** (Sunday) will be the going away party for Liz. Save the date! More information will be forthcoming.
- **Thanks** to all those who helped with the Barrels, Broncs, and Bulls booth (or is that Broncs, Barrels and Bulls?). Braving changeable weather, changing plans, and more than a little chaos our volunteers raised over \$300s.
- **NEEDED!** A person to take on the Bronze, Blues and Brews booth. Vendors are low so far this year, so it should be a solid opportunity to raise some solid dollars for our projects.
